Poly Planters are available in terra cotta and designer colors at no additional cost. Designer color orders must be prepaid and are non returnable. All designer color orders must include appropriate saucers. A minimum 4 week delivery time is required on all designer colored orders. Colors shown in this catalog are for reference only, and all orders for designer colors should be made referencing color chips available from JAZ Products.

"POLY PLANTER ADVANTAGES"

ONE-PIECE CONSTRUCTION:

Poly Planters feature one-piece molded space age polymer construction guaranteed not to crack, chip, or break.

NON-HYDROSCOPIC:

Water and minerals cannot leach through the walls to stain the exterior surface.

SAVE LABOR:

Weigh 80% less than terra cotta planters, so they're lightweight and easy to handle.

SAVE FREIGHT:

Costs 60% less to ship due to their light weight and nesting ability.

MANUFACTURED IN THE USA:

Delivery time in days, not months.

VANDALISM:

Poly Planters can be bolted to the ground to deter theft and vandalism.

ALL WEATHER CAPABLE:

Poly Planters can be used indoors or outdoors and are unaffected by sunlight or freezing temperatures.
